Network Policy Making: A Necessity for Today’s Organizations

Original Research, C5

Kamel M. Alvani S.M. and Mohammadi Moghadam Y.

ABSTRACT: The highly changeable and inconstant condition of organizational environments, including public and private signifiers, adds up to the necessity of having well-structured network policies for today’s organizations. The paper attempts to address this necessity and provides a comprehensive framework for network policy making and management. It finally provided theoretical and applied suggestions in order to prepare organizations for progressing in this direction.
