Literary Ability, Academic Achievement, Literary Knowledge, Comprehension

An Investigation into the Rate of Organizational Citizenship Behavior (OCB) in Personnel of Shahed University in order to Purpose Improvement Strategies

Original Research, C9

Khorshidi A. and Sadeghi S.

Abstract:
The current study is a descriptive project that has dealt with rate of Organizational Citizenship Behavior (OCB) in personnel of Shahed University. Organizational Citizenship Behavior (OCB) is a concept that has been defined as the organizational behaviors that are not officially defined but are considered necessary for the success of the organization. There are five dimensions of OCB: Altruism, Conscientiousness, Sportsmanship, Courtesy, and Civic Virtue. The results showed that the rate of OCB in the personnel of Shahed University is at greater level than mean rate. Therefore, it is necessary to create and implement improvement strategies for OCB.

Keywords:
