Couple Therapy, Emotionally-Focused Couple Therapy, Marital Conflict

Audit Fees, Discretionary Accruals, Audit Quality, Auditor Independence

Promoting Organizational Citizenship Behaviors in Organizations: A Reflection on Workplace Spirituality Approach

Different antecedents have been identified for organizational citizenship behavior in the literature including job satisfaction, organizational identification, and workplace spirituality. This study examines the role of workplace spirituality and its impact on organizational citizenship behaviors. The results indicate that workplace spirituality has a significant positive impact on organizational citizenship behaviors, particularly in terms of Altruism and Courtesy. This study further highlights the importance of workplace spirituality as a critical factor in promoting organizational citizenship behaviors.
ABSTRACT:
Loan, as a part of economic system with social results, is emphasized in Quran and narrations. Verses of Quran about loan are mentioned in different ways, some of which are referring to the main point of loan, while others are referring to selfishness and greed. In this paper, the loan verses are cited in Quran and narrations and a comparative study of the Shia and Sunni Commentators about these verses is made, which is a question of the viewpoint of Islamic interpreters and scholars, with emphasis on the separation of religion and Imami scholars' ideas.

Keywords: Loan, Religion, Interest Free Loan, Charity
