Comparative analysis on Cyber-Crimes

Review Article, C50

Najafi Y., Inanloo A. Radmehr S, and Jahani Z.

ABSTRACT: So far legislators from several countries have purposed many definitions for cybercrime but they have not yet achieved a single, specific definition. The current definitions of cybercrime are not considered to be sufficient and need to be modified. The purpose of this study is to provide a definition of cybercrime that can be compared with the definitions in other countries, and to regard and imply briefly about types of cyber-crimes and classification of the content-related crimes in cyberspace.

Key words: Computer-related Crimes, Criminalization, Information and Communication Technology (ICT), Criminal Content-Cyber Crimes, Cyberspace, Content-related Crime
