Measures Taken by Iran to Prevent Transnational Organized Crimes and its Estimated Position Compared to the UN Criminal Policy

Original Research, D88

Vejdani S. and Nik Khah R.

ABSTRACT: Transnational Organized crimes are being considered as one of the most important problems of the 21st century. These crimes are often carried out by various groups, which are unrestricted by national borders and continue to cause losses. Iran has also been involved in major parts of these transnational organized crimes. The aim of this research is to identify and investigate the measures taken by the government of Iran against Transnational Organized Crimes and UN conventions (Palermo and Merida).

Keywords: Prevention, Transnational Organized Crimes, Criminal Policy, Position of Iranian government.
