Measures Taken by Iran to Prevent Transnational Organized Crimes and its Estimated Position Compared to the UN Criminal Policy

Original Research, D88

Vejdani S. and Nik Khah R.

ABSTRACT: Transnational Organized crimes are being considered as one of the most important problems of the 21st century. These crimes have penetrated all the borders of the world and have no particular prevention. No independent body of strategies has been designated. So, in order to exit from this situation, different prevention strategies such as pastoral and social preventions have been set each of which has several rules and regulations. In the research, measures taken by the government of Iran against Transnational Organized Crimes and UN conventions (Palermo and Merida) are evaluated.}

Keywords: Prevention, Transnational Organized Crimes,
