Original Research, D131
Monadi A, Sardari R, Abed F, Iazforoushan asl D, Haji Alilou E, Sadeghi E.
ABSTRACT: Surveying on the specifications of urban managers on the base of Imam Ali’s management thoughts, gained from the content of personal narrations in Imam’s book entitled “Gazette of Imam Ali”, and also the content of his epistles. The results of the research have shown that Imam Ali’s management thoughts have a great impact on the urban managers’ behavior. In his book “Gazette of Imam Ali”, Imam Ali has emphasized the necessity of avoiding mistakes and the possibility of rectifying them. This is due to recognizing the possibility of error and the need to work to rectify the mistakes. Imam Ali has also stressed that one of the rules of management is to avoid injustice, which according to Imam Ali’s thought is the main source of dissatisfaction. Imam Ali has emphasized the importance of avoiding corruption and avoiding taking the privileges of relatives as a requirement of Imam Ali’s thought. He has also emphasized the importance of not being complicit in a crime, avoiding abusing the post. Key words: Managers’ specifications, Imam Ali’s Thoughts.

The Impact of Reflective Teaching on the EFL Teachers' Performance

Original Research, D132

Fatemipour H, HosseingholiKhani F.

ABSTRACT: Reflective teaching is a movement in teacher education and essential type of thought that enables teachers to deliberate their own teaching activities, in order to improve their teaching effectiveness based on their reflection recorded through keeping diaries. The key issues that reflective teaching is focused on are the following: How? Why? For whom? What? What is the importance of reflective teaching in the EFL classroom? The main research question is: What is the impact of reflective teaching on the EFL teachers’ performance? The study was conducted on the EFL teachers in the city of Isfahan. They were divided into two groups, with 40 teachers in each group. The first group was taught using a reflective teaching method and the second group used a traditional teaching method. The results showed that reflective teaching can improve the EFL teachers’ performance.
